
Salt & Light

"Let me tell you why you are here. You're here to be salt-seasoning that brings out the God-flavors of this earth. If you lose your saltiness, how will people taste godliness? You've lost your usefulness and will end up in the garbage."

*"Here's another way to put it: You're here to be **light**, bringing out the God-colors in the world. God is not a to be kept. We're going public with this, as public as a city on a hill. If I make you **light**-bearers, you don't think I'm going to hide you under a bucket, do you? I'm putting you on a **light** stand. Now that I've put you there on a hilltop, on a **light** stand-shine! Keep house; be generous with your lives. By opening up to others, you'll prompt people to open up with God, this generous Father in heaven."*
